2025 Ability Am Golf Tournament

MONDAY
MAY 19

Two Rivers
Country Club
Williamsburg, Virginia

1400 Two Rivers Rd, Williamsburg, Virginia

Dear Business Leaders and Community Partners,

The Ability Am Golf Tournament located at Two Rivers Country Club overlooking the James River in Williamsburg, Virginia, raises funds for VersAbility Resources' mission to support people with disabilities in leading productive and fulfilling lives.

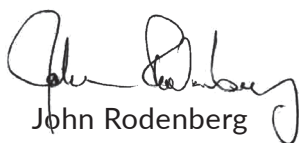

VersAbility is committed to creating new and innovative pathways and breaking down barriers to employment for people with disabilities including veterans. Only 22% of individuals with disabilities are currently in the workforce. Through our diverse employment programs, VersAbility helps individuals with disabilities secure jobs and continue our mission of ensuring they live productive, fulfilling lives of their choosing.

Proceeds from this event support VersAbility's employment programs so that people of all abilities experience the pride and independence of a fulfilling career. More information on those programs included.

This year, we invite you to join us on Monday, May 19, 2025, in support of people of all abilities. Sponsorships and golf teams are available. Enjoy picturesque views and a spectacular course at Two River Country Club along with networking and friendly competition! Breakfast pastries and refreshments will be provided prior to play to all golfers followed by an awards reception with lunch after the tournament.

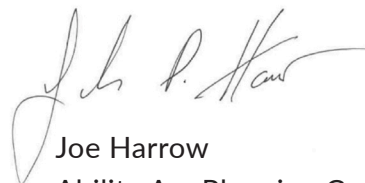

We thank you for your commitment and dedication to improving the lives of people with disabilities throughout our region! We hope to see you for a great day of golf on Monday, May 19th!

Thank you!

About VersAbility's Employment Programs

FUTURE OF WORK

Future of Work supports individuals with disabilities looking to obtain the necessary certifications and apprenticeships for them to build lifelong careers. Currently we are partnered with New Horizons Educational Center and the Virginia Peninsula Foodbank to provide courses in welding, culinary, and our in-house Forklift Program. In 2024, Future of Work began offering forklift certification in the Copeland Building, the first of many programs to come.

SUPPORTED EMPLOYMENT

Helping people with disabilities gain employment at regional businesses. We assess the person's interests and match them with a job they will enjoy and flourish in. We then train the employees for the position and employment specialists provide ongoing wrap-around support for the employee and the employer to ensure success for everyone.

GOVERNMENT CONTRACTS

VersAbility provides opportunities for people with disabilities and veterans to gain access to jobs on military installations. Opportunities include loading supplies onboard ships and manufacturing eyeglasses for the Navy, handling postal mail for the Air Force, administrative and human resources operations for Military Sealift Command, custodial services for NASA, and so much more.

COMMERCIAL CONTRACTS

Employing people of all abilities at our site in Hampton to fulfill contracts for commercial business partners such as STIHL, Ryson International, BUSCH, Howmet Aerospace, Newport News Shipbuilding, DAV Thrift, Nano Ark, Dominion Energy, and more. This program provides employment training not typically available in other work settings. People with disabilities support regional businesses through production, manufacturing, x-ray scanning, assembly, and more.
