

## Receive Services

---

If your loved one is in need of services, please contact us for a tour and additional information. We regularly welcome new program participants to the Puller Center team. Openings are available in our work and day support programs.

## Engaged in Our Community

---

In addition to work, the Puller Center offers activities and experiences to encourage learning, growth, and community engagement. Individuals from the Puller Center visit community businesses, explore local museums and attractions, attend events, and volunteer throughout the community.
